

Meeting Minutes

September 22, 2015

Meeting Start - 7:13pm

Introductions – Executive board & meeting participants

Traffic Calming

- Presentation on traffic calming proposal
- Two petitions
 - Calm Candler – Joe Harley, Chris Dupree
 - 300 Signatures
 - Issue Candler is a state road
 - Proposal to reduce the speed limit to 25 mph – seek a residential designation, with residential area ticket can be issued for traveling more than 1mph ; Issue can't enforce a speed limit unless more than 10mph above the limit
 - Proposal – Increase number of crosswalks
 - Response from the City in October.
 - Winnona Park
 - Area of concern between E. Hancock & Green Street.
 - Proposal – Seeking with a lighted crosswalk with median street
 - Proposal – Have school limit moved further south to cover S. Candler
 - Candler Oaks/Kirk road
 - Derrydown/Hilldale
- City Actions - Lena
 - Look first for the low hanging fruit.
 - Setting speed limits
 - Road where the city has the control
 - Those the city doesn't
 - State Highways & those where we use radar
 - Radar street – speed has to be at the 85% of traffic (85% rule)
 - Example of progress – Sycamore was able to reduce to 30 mph (using the 85% rule)
 - Looking to work with GDOT to develop other criteria
 - Working with state legislature to work with GDOT
 - Start with times, the cross walk, and speed limits (wear them down)
 - Q&A
 - Placing Police cars around school zones
 - How to include other neighborhoods – Follow similar process. Request for maps.
 - Columbia Drive to Talley Drive – Crosswalk ahead
 - App – Mydecaturga - See, click, fix. Take a photo and send it.
 - Reachout at the School Zone times - Winnona and Renfro

- Ron Mayo – State Legislation
